

Contracts Guide

View and manage your contracts online with the Customer Hub. All open, closed and requested contracts dating back to July 2018 are available in your account. Request new contracts and amendments, view contract details and contract request details or download contract documents at any time. To view or manage your contracts, sign into the [Customer Hub](#) and click the Contracts tile on the homepage.

Contract Management

The Contracts Dashboard provides a summary of contract status. It shows 18 Open contracts and 7,539 MT Open quantity. A bar chart displays quantity fulfilled against open contracted quantity for Wheat (1,200 MT) and APW1 MG (6,029 MT). A 'Quick links' menu includes 'Manage contracts' and 'Make an offer'.

The 'Manage contracts' page features a filter bar with options for Commodity, Grade, Season, and Delivery location. A table lists contract details:

Contract ID	Commodity	Grade	Season	Contract quantity (MT)	Open quantity (MT)	Price (MT)	Delivery location
20230202	Wheat	APW1 MG	2021/2022	241.00	241.00	\$218.00	Albany
20230203	Wheat	APW1 MG	2021/2022	270.00	270.00	\$218.00	Albany
20230204	Wheat	APW1 MG	2021/2022	53.00	53.00	\$218.00	Albany
20230205	Wheat	APW1 MG	2021/2022	338.00	338.00	\$218.00	Albany

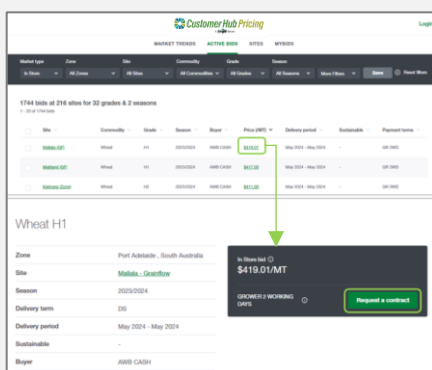

1. The Contracts Dashboard displays a summary of open and requested contracts for the selected NGR.

Use the Quick Links to navigate to Manage Contracts to view more details.

2. The 'Manage Contracts' details listing has three tabs; Open, Complete and Requested. From here you can:

- View, filter, and export contract information
- View and download Contract Documents
- Request Contract Amendments
- Allocate GrainFlow warehoused tickets to Cargill contracts.

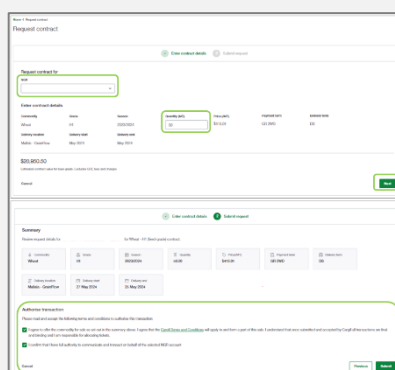

Request a Contract

The Pricing Hub shows active bids for Wheat H1. A bid for \$419.01/MT is highlighted, with a 'Request a contract' button.

1. Locate a price in Pricing Hub in the 'Active Bids' or 'My Saved Bids' tab and click the price hyperlink to view the bid details.

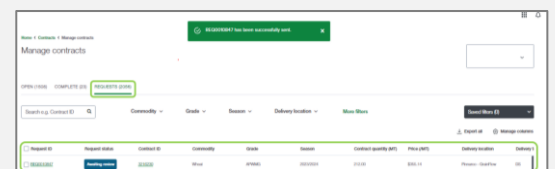

Click 'Request a contract' and log into the Customer Hub.

The 'Request contract' form includes fields for Contract ID, NGR, Quantity, Price (MT), and Delivery location. A 'Request a contract' button is visible at the bottom.

2. Complete the form: Select NGR, add quantity, and if multi-grade, choose to fix or leave the spreads floating, click 'Next'.

Review and authorise the transaction, click 'Submit'.

The 'Manage contracts' page shows the 'REQUESTS' tab with a new contract request listed, including its ID and status.

3. Contract request ID and status are recorded in the Requests tab of Manage Contracts. Once approved, you will be notified, the contract will display in the open tab, and the contract document will be available.

Contract request

Cargill has responded to your request and modified some details. Review the changes and approve or reject.

Request ID: REC0015530

Request type	Requested by	Date requested	Contract ID
Amendment	Chen Grower	04 Sep 2024	32292644

Amended contract details

Delivery location	-
Delivery start	Oct 2024
Delivery end	Jan 2025
Price (\$/MT)	\$198.00

1. From the Manage Contracts screen, select the contract to amend and click 'Request Amendment' in the green activity bar

2. Complete the 'Request contract amendment' form by adjusting the contract details (including fixing grade spreads for multi grade contracts), reviewing the changes and submitting the request.

The request will be available in the requests tab and can be tracked, modified, or withdrawn from here if required.

3. Cargill will review the request. You will receive a notification once reviewed. If approved, the contract amendment document will be available in the Customer Hub.

If the request was modified, click the notification to review and accept/reject the modified request with the buttons at the top of the page to complete the process.
